

2022 Republican School Board Candidate Scorecard

July 5, 2022

The Republican Liberty Caucus Lake-Sumter seeks to advance within the Republican Party the principles of individual liberty, limited government and free markets.

To that end, on May 9th, 2022, we emailed a questionnaire to each Republican School Board Candidate for the purpose of determining their governing philosophies and how they align with our core principles.

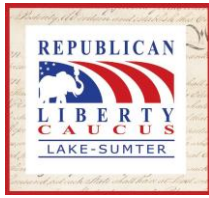

We have reviewed and scored each Candidate's questionnaire and assigned a score based on their alignment with our caucus positions. The scoring method we used is included in the matrix on page 4 as well as links to the actual completed questionnaires returned to us by the Candidates.

In addition, we sponsored a one hour and thirty-three-minute public forum for these candidates on June 20th, 2022, at River Church in Clermont. The video of that event is available for your viewing at: [South Lake TV](#). Special thanks to South Lake TV and their Local Government Sponsor – Crawford, Modica & Holt.

We remain grateful to each of these Candidates for choosing to participate with us as they have provided, what we believe to be, honest and forthright effort. It is now our hope that this exercise will advance our core principles, inform fellow Republican voters, and our community at large of the governing philosophy of these Candidates.

In Liberty,

Andy Dubois
Chair, [Republican Liberty Caucus Lake-Sumter](#)

It is also of significance to recognize each of these Republican Candidates for their willingness and commitment to sign the following **“Liberty Compact”** along with their completed questionnaire.
